Helpful Tips...

-Please take your little one to restroom prior to dropping off.

-Enter into studio from main entrance, please exit through single door near MMDA Merchandise.

-In order to minimize distractions, please re-frain from re-entering the studio once class has begun. A student teacher will let you know once class has ended and you may enter to pick up your little dancer.

-We are asking that you please drop your child off. It limits all distractions so we are able to get through our lesson plans on time.
