

Recital Meeting

A mandatory Mom's meeting will be held through the week of May 21st-24th the day of your child's class at 6:00pm. **BRING THIS PACKET WITH YOU TO THE MEETING.** We will discuss the following points:

Rehearsal: Tuesday, May 29th AT the LSU Student Union. Schedule attached. It is NOT a dress rehearsal. Rehearsal schedule is attached to this packet. Please pay close attention to your child's time to arrive at LSU. Please note that if we are running ahead of time, I will keep going, so it's best to plan to arrive early.(rehearsal schedule attached)

Checklist: A checklist is attached to this packet as well. It is helpful in two ways: it contains the exact lineup of the show and lists everything you will need!

Recital: Saturday, June 2nd, Check in and out of the recital. The mother or sitter of the child must check in and out, no exceptions. Your child's sitter nor your child need a ticket to the recital. They will be backstage the entire show.

After you check your child in, please take them to the restroom. **NO DADS ALLOWED BACKSTAGE.**

Day of Recital: Middle School & High School arrive to recital at 10:45am. Ages 7-11 arrive at 11:00pm. Ages 2-6 arrive at 11:30pm. Doors open at 11:00pm for the audience, and the show will start promptly at 12:00pm.

Anyone in opening will not leave in between shows. After the break between shows, Ages 7-11 will come back for the 5:00 show at 4:00pm. Ages 2-6 arrive at 4:30pm. Doors open at 4:00 for the audience, and the show will start promptly at 5:00pm.

Arrive to the recital already dressed in the first costume with a robe on.

YOU CANNOT CHECK YOUR CHILD OUT OF THE RECITAL UNTIL 5 MINUTES AFTER THE SHOW IS OVER. They will sit backstage with their sitter, and then you or their sitter is allowed to check them out.

Make sure to label all parts of your child's belongings and costumes with her name on it. (shoes, hats, bags, hanging bags, makeup) Also, have extras of everything(Bobby pins, hairspray, safety pins, etc.)

Makeup & hair(low bun) already needs to be completed upon arrival.

Send your child (ages 2-6) with a nap, already fed, dressed in first costume and makeup and hair done.

All hats must have clear elastic on them. All girls must wear the tights that I have given them with their tickets.

No name yelling of any sort in the audience. For example, "Go Jennifer!!" I feel that it is a distraction and takes away from the other dancers on the stage.

Every person must stay seated until a performance is completed out of respect for our dancers. If one needs to get up for any reason, it must be in between dances. **VIDEOING AND PHOTOGRAPHY IS NOT ALLOWED.** Every single child has worked extremely hard and every parents has paid the same amount. If you are distracting the parent behind you by taking videos or photos **IT IS NOT FAIR.**

Cell phone moms: You must call the "cell phone mom" of your child's class if you have a question. I will not be able to answer any calls, texts, or emails the week of rehearsal and the recital. They will contact me if you have an emergency.

All ages 7& up will be in both shows. The families are divided in half to work one show and watch the other.

All ages 2-6 are only in one show. We have asked that you get someone to sit backstage with your child and change them for you. This person will not need a ticket. This will allow us to keep your child safe by locking the main doors so that not anyone can just walk in their changing room. This also allows you to sit and watch an entire performance without having to get up.

****The show runs extremely fast, with each dance being lined up 3-4 numbers in advance.**

****If you pre-register for next year's dance year it's only \$30 instead of \$40, AND your name will go into a drawing for \$235.00 off of your recital fees. This drawing is done at rehearsal.**

****Our Disney Mania Camp will be on July 9th-13th from 9am-3pm. Sign up forms are on the front counter!**

Helpful Hints for Recital Day:

Make sure your child arrives already dressed for her first dance.

Bring a garbage bag, and help clean up throughout the day in the dressing rooms.

Bring a stapler... you never know when a costume will malfunction.

Clear liquids... we do not want any red stained costumes.

Buy an extra pair of tights if you're in both shows. A tear in tights is never pretty on stage.

Take a picture of your child's costume in the costume binder on the front counter so you can make sure all the girls look the same.

Pack the night before to make sure you bring EVERYTHING YOU NEED.

Over pack your hairspray, bobby pins, safety pins, lipstick, glitter and makeup.

Dancers do not wear underwear underneath their tights.

Mr. Clean Magic Erasers clean up ballet shoes very nicely.

DO NOT IRON COSTUMES. Hang with a hot shower to steam them. If they have a large tutu, hang it upside down so it fluffs out.

Arrive in costume with a button down shirt or robe over the costume... something that doesn't have to be pulled over the head.
